Investment Professional Seeks to Target Diverse Market in Wealth Management and Retirement Plans

(Scherville, IND) – Delta Jones-Walker has been giving financial advice for decades and is excited that she will finally be able to set up shop in her native region of Northwest Indiana. On Thursday, December 3rd from 3:00p.m. – 6:00p.m., Jones-Walker will celebrate the grand opening of **ATLED Financial** in Scherville.

“I have been dreaming of the day that my clients in Indiana would have an office where we could meet face-to-face to discuss their financial futures,” said Jones-Walker. “This is an also a great opportunity to reach an entirely new market with a specific focus on small business owners and women.”

The event will kick off with a ribbon cutting ceremony followed by a tour of the facility which is located in a plaza at **717 B Main Street** next to Albert’s Jewelers. In addition to refreshments and giveaways, Jones-Walker will share information about all of the services her firm provides.

“We were fortunate to secure a highly visible location, which could positively impact foot traffic and potential walk-ins,” added Jones-Walker. “As the holiday season approaches, I want people to know that planning for a future that is financially sound is one of the best gifts you can give to yourself and loved ones.”

Jones-Walker and her team will also be giving tours of the new facility Saturday, December 5th from 10a.m. – 12:00p.m. Call 630-546-1012 to RSVP for the Open House.
